

Elafonissi - Kedrodasos Beach - Milia

Full Day Tour – 1 hr optional walk

An exploration of the infamous corner in Southwest Crete, this tour will take you to Elafonissi beach and island, designated a natural protected area by an EU conservation program. The landscape's colors are a delight to the eye: the calm waters are transparent in the shades of green and blue, and the soft sand is white and pink. You can walk to the island as it is connected to the beach by a shallow reef. Should you wish to get away from any crowds or buses to find a haven of your own, simply follow your guide to a half hour coastal walk to a breathtaking beach at the foot of a cedar forest. Upon the return journey we will enjoy a late lunch at the traditionally restored eco-hamlet of Milia, nestled in a wooded valley and serving delicious, organic, home-grown food.

Duration: +/- 9 hours

Suggested start time : 8.30am

Price per person : 60 Euro * based on 30x participants*
